MEMORANDUM FOR THE RECORD

SUBJECT: Paul Theroux

1. According to [redacted], his brother Paul Theroux left the United States on 19 November 1965 for Kampala, Uganda, where he will begin his new job connected with Makerere College. Paul planned to stop in London for several days enroute in order to see his girl friend, an Italian national.
2. [redacted] said that his brother still planned to travel to Germany in December to attend the wedding of the daughter of the current or former West German Ambassador to Malawi. [redacted] believes that his brother will pay for his trip to Germany from income derived from free-lance writing (e.g., the Christian Scientist Monitor has published several articles by Paul). [redacted] said that, since his brother will have begun his new job in Kampala, he did not believe his brother still planned additional travels after the wedding (e.g., to Eastern Europe).
